

With a view especially to improving the Network's online activities, a working group had been set up, at the initiative of President Corstens, following the Board meeting held in The Hague in May 2012 to encourage consultation of the Network's new website. The IT working group had submitted its report at the Board meeting in Helsinki on 5 September 2013 and the report had been adopted. A discussion forum had been put in place in 2013 for the sole use of the Presidents of the Supreme Courts and another for the judges of those courts.

The work and studies undertaken by the Network were available on the Network's intranet or internet sites. This Newsletter describes the features implemented.

En vue d'améliorer les activités en ligne du Réseau, un groupe de travail, à l'initiative du président Corstens, a été créé à la suite du conseil d'administration tenu à La Haye en mai 2012 pour notamment encourager la consultation du nouveau site du Réseau. Ce groupe de travail sur l'informatique a présenté son rapport lors de la réunion du conseil d'administration réuni à Helsinki le 5 septembre 2013 qui l'a adopté. Un forum de discussion a été mis en place en 2013 à l'intention des seuls présidents des cours suprêmes et un autre à l'intention des juges de ces cours.

Les travaux, études, menés par le Réseau sont également disponibles sur le site intranet ou internet du Réseau. La présente Lettre d'information présente les fonctionnalités mises en place.

The Website of the Network / Le site Internet du Réseau

The website of the Network (www.network-presidents.eu) gives access in several languages to information about the Supreme Judicial Courts of the European Union, their decisions (and advices) as well as reports and conclusions produced during the colloquiums of the Network.

The development of the website has been driven by the Network's objectives laid down in its Articles of Association:

- "to promote exchanges of views and experience on matters concerning the case law, organisation and functioning of the Supreme Judicial Courts of the European Union in the performance of their judicial and/or advisory functions, particularly with regard to Community Law and, as the case may be, with the 'parquets' or 'ministers publics' of these Courts"

Le site Internet du Réseau (www.reseau-presidents.eu) donne accès en plusieurs langues à des informations sur les cours suprêmes judiciaires de l'Union européenne, leurs décisions (et avis) ainsi que sur les rapports et les conclusions au cours des colloques du Réseau.

Le développement du site a été développé par référence aux objectifs du Réseau prévus dans ses statuts :

- « favoriser les échanges d'idées et d'expériences sur toutes questions relatives à la jurisprudence, à l'organisation et au fonctionnement des Cours suprêmes judiciaires de l'Union européenne dans l'exercice de leurs fonctions juridictionnelles ou consultatives, particulièrement au regard du droit communautaire, ainsi que, le cas échéant, les parquets ou ministères publics établis auprès de ces cours » ;

- “[to] promote contacts and exchanges of information between its members or observers and with the European Union Authorities by providing the latter with the opportunity to consult with its members on all questions regarding the harmonisation of substantive and adjective law”.
- “[to] initiate or promote the publication, the dissemination and the translation of studies falling within its terms of reference”.
- “every second year, or at intervals to be established by the General Assembly, (...) [to] organise a colloquium to consider matters falling within its terms of reference”.

- « facilite[r] les contacts et les échanges d’informations entre ses membres ou observateurs ainsi qu’entre eux et les instances européennes, en offrant à celles-ci la faculté de consulter ses membres sur toutes questions relatives à l’harmonisation des droits substantiels ou processuels » ;
- « suscite[r] ou encourage[r] la publication, la diffusion, la traduction des études et travaux se rapportant à son objet » ;
- « organise[r], selon une périodicité que définit l’assemblée générale, et en principe tous les deux ans, un colloque consacré à l’étude des questions qui entrent dans son objet ».

Currently two topics are available on the Judges and Presidents forums:

- Criminal law
- Civil law.

Un courriel de notification est automatiquement adressé aux présidents des cours suprêmes et, suivant le cas, aux juges qui se sont préalablement identifiés, quand un nouveau sujet de discussion a été posté ou lorsque de nouveaux commentaires sont publiés sur un forum.

Actuellement, deux domaines de discussion sont disponibles sur le forum des juges et des présidents :

- droit pénal
- droit civil.

The new topics can be created by users completing a form which is accessible with the link “Add new forum topic”

Tout nouveau sujet de discussion peut être lancé par un utilisateur après avoir rempli le formulaire accessible en utilisant le lien « *Ajouter un nouveau sujet de forum* ».
